

There's Something Fishy Goin' on Here!

Vacation Bible School

August 7, 8, 9

6:30 - 8:00 p.m.

There's something fishy going on here, and we want kids ages 3 yrs. thru 5th grade to come explore what that might be!

Christ has called all of us to be "Fishers of men". That includes our little ones too!

There will be Bible stories, games, arts and crafts, and snacks to round out this adventure on the shores and deep waters of the Sea of Faith.

Registration forms can be downloaded and printed from
